

Membership Committee Report to the Board (Tom Olino reporting) 9/19/2019  
 Committee members: Tom Olino, Colleen Brenner, Pearl Chiu (chair)

2019 items and work in progress:

- 1 There are 720 members in the membership database. 370 full members, 350 associate members.
- 2 The membership committee now has responsibility for entering new members (previously a duty of the Secretary).
- 3 As of last year, we also took on dues tracking and encouraging dues payment. This has been difficult due in part to problematic website and limited integration of databases.
- 4 Note: We will need a functioning web platform to carry out these duties successfully.
- 5 Related (see also Shaun's comments): There is currently limited functionality for members in the database. We (Nick) have been addressing each request personally.
- 6 The membership committee will continue to work closely with the website committee (Shaun Eack and Nick Faughey have been great) to streamline membership and dues-related items.
- 7 We continue to increase in number of new applicants. 103 new complete applications this year. 82 applicants for associate membership, 21 for full membership. The committee recommends acceptance of these 103 applications for membership.
- 8 For new members, dues payments are payable after the vote. After the vote (and welcome notice), the membership committee will follow up with new members for dues payment.
